3rd Annual Polaris Dinner

Date: Saturday, September 16th, 2023, 6pm-9pm

Location: McMenamins Anderson School in Bothell

Let us gather as a community during our Polaris dinner. This year we're exploring how we can be there for the whole person in all that we do. To welcome with open arms, honor the dignity of each person, and enhance the equity of our programs. Join us at our Polaris fundraising dinner to help us reflect and celebrate. We expect to welcome 200 - 300 community members at this event!

Annual Empty Bowls

Dates: TBD, Spring 2024

For 14 years, North Helpline has hosted its signature Empty Bowls event to provide accessible avenues for our community to engage in food insecurity awareness.

While the event looks different every year, our neighbors can eat free soup, buy local artisan bowls, and support our mission at local venues in the community. We welcome 400-600 community members to this event each year.
